Hoo, hoo oo-oo-oo, hoo oo-oo-oo, hoo oo-oo, hoo oo
Hoo, hoo oo-oo-oo, hoo oo-oo-oo, hoo oo-oo, hoo oo!

Lean on me yeah! Yeah...
When you're not strong, I will be, I will be your friend and I'll help you
Carry on, and it won't be long! For...
It won't be long til I will need somebody to lean on

Listen to me yeah! Some, times in our lives, oh yeah,
We all have pain uh-huh, we all have sorrow
Listen to me yeah! but if we are wise, oh yeah,
We know that there's, uh-huh, always tomorrow

Lean on me yeah! Yeah...
When you're not strong, I will be, I will be your friend and I'll help you
Carry on, and it won't be long! For...
It won't be long til I will need somebody to lean on

Lis-ten to me yeah! Please swallow your pride oh yeah
If I have things, uh-huh, you need to borrow
Lis-ten to me yeah! For, no one can fill oh yeah
Those of your needs, uh-huh, that you don't let show

Lean on me yeah! Yeah...
When you're not strong, I will be, I will be your friend and I'll help you
Carry on, and it won't be long! For...
It won't be long til I will need somebody to lean on

(you just call) Call! Call! Call on me you need a hand
We a-all need somebody to lean on
(I just might) Might! Have! A problem you'll understand
We a-all need somebody to lean on

Listen to me yeah! If, there is a load, oh yeah
You have to bear, uh-huh, that you can't carry
Listen to me yeah! I'm, right up the road, oh yeah
I'll share your load, uh-huh, if you just call me

(you just call) Call! Call! Call on me you need a hand
We a-all need somebody to lean on
(I just might) Might! Have! A problem you'll understand
We a-all need somebody to lean on
We a-all need somebody to lean on
We a-all need somebody to
lean to lean to lean
On
